

Study in Australia's Northern Territory

Study in Australia's Northern Territory Scholarships

Australian Careers College

Available for students from **China, India, Indonesia, Japan, Korea, Nepal, Philippines, Timor-Leste and Vietnam** to study in Australia's Northern Territory.

Up to six scholarships (three in English language and three in vocational education and training) will be available at the Australian Careers College in 2017.

To apply

Complete a scholarship application form from the Northern Territory government's StudyNT website studynt.nt.gov.au/study/scholarships/australias-northern-territory-scholarships and submit it with your application to info@accollege.edu.au.

Scholarship winners will be recognised by the Northern Territory government and have the opportunity to network with government, business and community representatives in the Northern Territory during their studies.

Closing dates

Scholarship applications to Australian Careers College will be considered at any stage throughout the year.
